

HP 600B Microtower PC

Smart design, stylishly simple

Take full advantage of your small business resources with stylish efficiency at a price that won't break the bank.

HP recommends Windows® 7.

Let the HP 600B Microtower Business PC help you take full advantage of your business resources with stylish efficiency at a price that won't break the bank. Stimulate your work day with a sleek design and proven Intel® technology designed to suit your small business requirements.

Sleek, smart design

An all new design, stylish and functional, that is easy to setup and easy to use. Convenient front access to USB ports and audio ports help you keep the technology you use for your day-to-day computing at hand. Get right to work with the efficient design and functionality you need to operate effectively from day one.

Essential technology

Handle your small business effectively with reliable performance you can count on. Equipped with a Genuine Windows® 7 Professional Operating System and proven Intel® processors, chipset and graphics.

Small business enhancements

Enhancements help you create a small business PC to make the most of your resources. Integrated security options like a padlock loop and Kensington Lock support help defend your physical property and your data. A useful blend of preinstalled software helps you get productive fast including Corel WinDVD 8, Roxio Creator 10, and eReaders (Internet access required. Third party materials sold separately.) for the latest books, magazines and newspapers.

You can also select from a range of HP Care Pack Services¹ to extend your protection beyond the standard warranties.

ACCESSORIES AND SERVICES

HP Wireless 802.11 b/g/n PCIe Card

By removing the need for network cabling, you can dramatically increase flexibility when changing workspace layouts within wireless-enabled office environments or when adding users onto existing networks with the HP Wireless 802.11 b/g/n PCIe Card.

Product number: FH971AA

HP Thin USB Powered Speakers

The HP Thin USB Powered Speakers produce a rich high quality sound that provides an excellent stereo speaker solution for business users.

Product number: KK912AA

HP Keyed Cable Lock

The HP Keyed Cable Lock is designed to be used with industry standard lock slots like the type found on a laptop, docking station, desktop PC, flat panel display, printer or projector. Secure your valuable IT hardware with this lock that consists of a 6.00' (1.83 m) vinyl-coated, galvanized aircraft-grade steel cable that loops around any secure object and then attaches to the computer or device you want to lock. The lock features a push-button locking mechanism and a unique key (including a spare key) to unlock the cable. A small Velcro strap is also included to help manage or adjust the length of the cable as you place and use it.

Product number: BV411AA

HP Virtual Rooms (up to 5 people in one meeting) License

Connect from anywhere with Internet access to host team meetings, customer briefings, and training events in one convenient online location.

Product number: WF722A

3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

Product number: U6578E
