

# HP EliteBook 8460p Notebook PC

## Corporate Elite

**Business masterpiece. Build projects, inspire teams and impress clients with a vibrant 35,6 cm (14") diagonal HD<sup>1</sup> display and graphics performance options. Outstanding battery-life and a rugged design make this the mobile professional's essential tool.**

HP recommends Windows® 7.

---

### Equipped to get the job done

Gain strong processor capabilities, wireless<sup>2</sup> functionality and a 35,6 cm (14") diagonal HD<sup>1</sup> display.

### Professional performance

Create documents, spreadsheets and presentations without slow load times, freeze-ups or stalls. This streamlined workhorse helps you complete projects fast and efficiently.

### Amazing battery life<sup>3</sup>

Fly for hours, give a presentation and still have enough power to check email at the hotel, thanks to industry-leading battery life — up to 32.5 hours.

### Military-standard durability

Don't worry about bumps, drops or scuffs. The purposeful design of the HP EliteBooks translates into true business-rugged notebooks. The sleek platinum casing and military-grade testing<sup>4</sup> for drop, vibration, dust, altitude and high temperature helps ensure your notebook can survive rough travels and tough work locations.

### Graphics options

Create presentations, display detailed images and produce basic visuals with your choice of graphics options<sup>5</sup>.

### Easy charging and docking

Get charging equipment that works across all your notebooks. Perfect for shared work environments, all HP Business Notebooks can be charged on the HP 90W<sup>5</sup> or the HP 120W Advanced Docking Station<sup>5</sup>—so your business can do more with less.

## Accessories and Services

### HP Professional Series Topload Case

Designed for ultra-mobile professionals who are on the road frequently and for long periods of time.

Product number: AT886AA

### HP 120W Advanced Docking Station

Robust desktop replacement solution for your mobile office with advanced features for future expansion.

Product number: NZ222AA

### HP Display and Notebook Stand

The perfect home base for the business traveler who is constantly on the go - turn your HP Business Notebook into a desktop solution supporting up to two displays (notebook display plus external display). The adaptable design of the HP Adjustable Display Stand can accommodate a range of notebook sizes with the innovative adjustable shelf. This stand can also accommodate notebooks that can be connected to a docking station and notebooks that do not have a docking connector. Integrated base rollers let you rotate the stand so you can more easily share your work. A dual-hinged, smooth-motion display stand allows for greater depth, height and tilt adjustment for maximum comfort.

Product number: AW662AA

### HP 65W Smart Travel AC Adapter

AC power adapters from HP power your notebook and charge the internal battery simultaneously. These adapters provide you with the ability to power your notebook when away from the office or on the road. The HP 65W Slim Travel Adapter is perfect for international travelers or "road warriors" who are always on the go. The adapter is 40% thinner than the standard 65W adapter and includes a convenient USB port for charging other accessories while you work. Four international adapter plugs help make sure your Slim Travel Adapter works wherever you do. A stylish protective carrying case keeps everything together.

Product number: AU155AA

### HP Docking Station Cable Lock

The HP Docking Station Cable Lock is dramatically simpler to use than previous locks and delivers enhanced security. The HP Docking Station Cable Lock gives you two locking options: lock the docking station only (which also prevents access to the advanced docking stations drive bay) or lock both the docking station and the notebook.

Product number: AU656AA

### 3-year Next Business Day Onsite

Receive 3 years of next business day onsite repair from an HP-qualified technician for your computing device, if the issue cannot be solved remotely

Product number: U4415E
